

## ScotEID Cookie Policy

Cookies are small files stored on your computer by your web browser. Websites may request the creation of these cookies for various purposes. Our ScotEquine website only uses cookies to enhance functionality and performance. All the data we get about you from cookies is anonymous (we can't identify you from it) and we do not share this personal data with third parties. You can delete these from your computer whenever you like, or set your browser not to accept them - but when you register a user account you agree to let us use them. Below are the cookies you might get on your computer if you use our site - but not everyone will get all the cookies.
